Our annual PTA Scholastic Book Fair is a great opportunity for students to find new books to help promote their love of reading. A bigger vocabulary, increased reading comprehension skills, and a sharpened imagination are just some of the benefits of reading. Reading empowers children to understand their changing world and strengthens their creative thinking.

- **Here's how it works:** Students will preview the book fair with their class from Feb. 22 – Feb. 28, and complete a wish list that will be sent home. Parents can select the books they want to buy from the wish list and return the form with payment by March 1<sup>st</sup>. The books will be delivered to your child by the next day.
- **“All for Books” Charitable Donation:** This year, we will once again be participating in the charity “All for Books.” On the wish list form, please specify if you would like to ‘round up’ your change to the nearest dollar to help children, families, and teachers acquire books and educational resources through two nationally recognized, non-profit organizations.
- **Online Orders:** We will again be offering an online option with an expanded selection at <http://www.scholastic.com/bf/waverlyelementary> for friends and/or family who cannot attend the book fair in person. The online book fair opens February 17<sup>th</sup>. All online orders ship free to the school and will normally be delivered to your child’s teacher by March 15<sup>th</sup>.
